I am fine with calling this reporter back on my own.
 Becky? Phillippa?

Except for IMT duty, I'm here all week.

I can help set up the call with the reporter, or if you feel comfortable calling on your own, just let me know how the call went.

Thanks

I think that this is the same reporter. He has already checked in with MDEQ. If it is not possible to coordinate with me, Jim can give him the update on Allied and what is (not) up with BioPath.

Subject: Allied Paper update

Paul,

I'm trying to get an update on 2016 work at Allied Paper site. Working on an overall Michigan Superfund site update and Allied Paper is one of the major projects. Curious to know if the BioPath plan was approved or not.

Have also reached out to EPA, but you guys at DEQ are usually easier to reach.

Got any time yet today?

Thanks,
